

Bridge Ministries now provides: Small Group Leaders' Training

Includes:

(1) an eye-opening overview of the biblical and theological basis for small groups (leaders will learn why small groups are so vital in the growth of the church and in our personal lives!)

(2) some practical “how to’s” regarding the facilitation and leadership of small groups (new leaders will be able to raise their confidence in leading groups, and experienced leaders will become more effective at leading their groups).

(3) an overview of the LifeBridge Video Workshop (leaders will catch the vision for turning their small groups into “Mission Communities”).
